Hello, Children,

Today I will read about a kid's club.
The children in the club build a new
place for trees and animals. It is in their
school yard.

Hello, Class,

Let's take a poll today. What color
shoes are you wearing?

Today we will be reading a story about
the forest. A forest has many trees.
Could you draw a picture of the forest?
What would you show in your picture?

Day 4

The teacher in the story planted some tiny seeds with the class. The seeds will soon be growing into trees. What helps the trees grow so tall?

Day 5

I like the part in The Forest where the children plant trees. The children were happy because they were helping the earth. What part did you like?
